

We are excited about 2020!

Exciting News

- We are moving into "the Venue 68- The Development Center" in the future! We cannot wait! (please see picture and details below)

BAC has been given the opportunity to be a part of the Development Center that Asbury United Methodist is rebuilding. This BIG building is an answer to many prayers and a HUGE blessing. We plan to move in once Asbury completes the youth center and finishes the remodel of the Venue building. So we have a bit of a wait but it will be worth the wait! Once we are officially moved in we will have an open house for you to attend!

We believe in the power of stories!

Building All Children has helped hundreds of children and each child has a story that is unfinished! We are grateful to be a part of their journey!

Nearly 300 guests enjoyed a wonderful dinner and learned how they can impact Tulsa through Building All Children. It was the most successful event we've had yet!

Huge "thank you" to **Tamara Noel** and **Sarah McPhail** for Co-Chairing our Benefit Dinner!

Building Readers

continues to impact children and their ability to read and learn. We have had several students graduate from our program with more confidence and the ability to successfully read!

We completed 529 reading sessions in 2019! We currently have a waiting list for 2020! We are in **need** of two more part-time Reading Specialists.

I graduated from Building Readers!

I just started Building Readers and I'm already more confident!

Praying Together!

Please Pray For...

- Our BAC families and their children
- Moms and Mentors (we need more mentors)
- More children to be sponsored!
- The opportunity to help families pay for needed therapy.
- Pray for the BAC staff and that our hearts will continue to pour into children.

Thank you, Presenting Sponsors, for supporting our 6th Annual Benefit Dinner.

Thank you Charles and Peggy Stephenson Foundation for matching up to \$10,000
