

# MERRY CHRISTMAS

FROM THE BUILDING ALL CHILDREN TEAM

## BUILDING ALL CHILDREN

wishes you a very Merry Christmas and Happy New Year!

### CELEBRATING 10 YEARS OF SERVICE

Our 10th Annual Benefit Dinner was a huge success. The room was full, and hearts were open to giving. It was the best benefit dinner yet and we can't wait until next year's celebration!

Thank you for every prayer said, every moment volunteered, and every donation made.

### THANKFUL TO BUILD DEVELOPMENT

Building All Children served thousands of children this year and we are so thankful. Thank you for our 1,798 hours volunteered! We couldn't do it without you! Through BUILDing development, we are so thankful to have built a community with these volunteers,

### LOOKING INTO THE BRIGHT FUTURE

We know and understand the need for Building All Children, and we are looking forward to the children and families that walk through our doors in 2024! We have a bright future because of your giving and we are beyond grateful!

# BUILDING DEVELOPMENT AND FAMILIES!

## 2023 Building Together

The Lord has given us the privilege of being a part of many stories. Stories that began with families looking for someone who might listen, guide, and partner in BUILDing the development of their child. We see it as an honor to walk alongside families in each of our unique programs. 2023 has truly been the year of togetherness. Together we have seen babies grow, readers thrive, social skills attained, childhood development understood, and community shared. All glory to God.
