

ASSESS

We are grateful for the opportunity to offer hope and guidance to our families. We have **assessed** 60+ new children in 2024 so far. We are honored to walk alongside families as they BUILD development. We will continue to celebrate every achievement, milestone, and skill. [We would like to congratulate the 9 recent Building All Reader's graduates!](#) They worked so hard and we could not be more proud of each of them!

RESOURCE

We are finding new ways to provide **resources** to our BAC families and community. Tune in to Kendra on News Channel 6 monthly for insight that can benefit any family. Find us on social media! Stay connected on Facebook & Instagram for book suggestions, engaging "reel life" videos from BAC, and **resources** from our child development and reading teams. If you enjoy learning through music, follow us on Spotify! We love sharing our favorite music with our families.

EMPOWER

We are so thankful for the community at Building All Children. Through Play & BUILDgroups, our TOWN, BUILDmoms, BUILDdads, and our volunteer team so many connections have been made. Please visit buildingallchildren.org to see how YOU can find community at BAC.

We **empower** our families by providing services to help BUILD, not only the child, but the entire family.

Play. Explore. Learn.

Our cherished TOWN recently marked its one-year anniversary. It has been a fantastic year creating memories in Building All Children's child-sized town. From enjoying ice cream at Izzy's to sharing laughs on Main Street, every moment has been truly special. In 2023, we had 1,355 children visit our TOWN, and this year we have already welcomed over 350 children. Hooray!

THANK YOU FROM A BAC PARENT!

Thank you for the hard work you have put into helping financially. I would not be able to help my girls thrive without it. I hope to be able to help one day give back.

My daughter will be able to read better than I can after she graduates from this program. God ~~will~~ bless you!
