

About Us.

Building All Children, Inc. is a non-profit child development ministry designed to help ALL children by partnering with families, churches, schools, and communities through encouragement and teaching.

Our Vision: That every family is equipped and empowered to improve each child's development physically, socially, emotionally, and spiritually.

Our Mission: To assess, resource, and empower children and their families to build each child's development and individual learning style.

Ensuring children with developmental obstacles get the help they need.

BUILDING A FOUNDATION FOR SUCCESS

BUILDINGALLCHILDREN.ORG
918.398.6127

We ASSESS development, provide RESOURCES, and EMPOWER families with professional specialists, ongoing support, and specific tools to help your child.

Assess

Through in-depth social, emotional, physical, cognitive and academic assessments, we identify where your child falls in terms of developmental milestones. We then develop a custom program based on your child's unique learning style.

Resource

We connect you with appropriate resources such as speech pathologists, occupational therapists, physical therapists, counselors, physicians, academic placement advisors, tutors, resource materials, classes, workshops, support groups and more.

Empower

Throughout the process, we give you the knowledge and support you need to help your child complete their plan successfully. Our empowerment program will BUILD the children in your home.

Our Empowerment Programs

PLAY & BUILDgroups™
Play. Engage. Connect.

Our developmental playgroups are hosted by local churches throughout the Tulsa community. Each playgroup includes opportunities for caregivers and children (ages 0-6) to play, engage, and BUILD development together through activities, songs, stories, and more!

BUILDville™
Play. Explore. Learn.

BUILDville is created to serve Tulsa families and assist children ages 3-8 and their families in navigating and responding appropriately in real-life situations in our child sized town.

RISE & BUILD™
Share. Collaborate. Teach.

Rise & BUILD offers teacher workshops, family education workshops, BUILD resource library, and mentoring for mothers. We also host events to encourage families through laughter and fun.

BUILDING ALL READERS™
Read. Write. Think.

Our Building All Readers program is for children reading below grade level, 1st through 5th grade, who have been recommended by BAC Child Development Specialists. Prayer, daily homework, and parental involvement are key components of our program.

BUILDING READINESS
Pre-Reading Enrichment

Our goal is to enrich children with the tools they need to begin reading. Children will work on phonemic awareness, rhyming, alphabet knowledge, and language awareness.

BUILD VOLUNTEERS
Volunteer@buildingallchildren.org

We have multiple volunteer opportunities here at BAC that will allow you to choose to serve in a way that works best for you. We love to grow our community through service!
